

JOINT COOPERATIVE AGREEMENT

This Agreement reflects general consensus resulting from discussions between Representatives of the participating institutions. We, the undersigned, in the spirit of international understanding and goodwill, agree to examine the following possibilities:

- ❖ **Enhancing educational and research cooperation between the participating Institutions;**
- ❖ **Exploring the development of linguistic and cultural programs for students and faculty at our respective institutions;**
- ❖ **Identifying other educational endeavors that may be mutually beneficial and strengthening our relationship through student and faculty exchanges;**
- ❖ **Sharing academic materials, publications and information.**

Based on principles of equity and reciprocity, This Agreement will serve as a general framework for collaboration between the participating institutions to work together on the above initiatives. This Agreement is an expression of goodwill and is not intended by any party to constitute a legally binding agreement.
